**SUBJECT:** *NORTON-MARCH AIRCREW ASSOCIATION (NMAA) ANNOUNCES  
ITS LAUNCHING OF THE NEW NMAA-STORE WEBSITE*

The Norton-March Alumni Association (NMAA) launches its NEW Store website today. It has been under development for several months. President Tim Wrighton announced that with Reunion surveys returned as well as several members expressed a desire for the Association to make it easier to purchase memorabilia products and reunion events.

The new site will be automatic link from the main web site. It will also encompass a data base of names and memberships from members, so anyone can log in to their account with their private password and purchase, renew memberships as well as purchase reunion events and products. NMAA can pull down a variety of reports to help in simplifying record keeping. The additional hope is to also help increase the Membership base.
